An **on-line time deposit** may be cancelled partially or in its entirety. For partial cancellation, the withdrawn amount must be more than CZK 10,000 and the remaining amount of deposit must be at least the minimum amount for opening a time deposit in the relevant currency. If the deposit is canceled within 30 days of when it was made, no interest is paid. If the deposit is cancelled more than 30 days after it was made, the client receives interest for the entire term of the actual deposit. Interest is calculated as the difference in the interest rate valid on the day the account was opened, according to the size and term of the deposit, minus a 1 % cancellation fee. The remaining amount of the time deposit will earn interest based on the interest rate valid on the day the deposit was made, according to the size of the remaining deposit and the original term of deposit.
