1 Local solution implemented as "Boleto on the web".

2 Local solution implemented as "Mis pagos al día".

3 Local solution available.

4 Multibank electronic payment service providers. (Argentina – Interbanking / Colombia – PSE)

5 Bank specific payment service providers. (Chile – Servipag / Mexico - Banamex / Peru - BCP)

6 Electronic payments through Direct Debit.

7 Local solution implemented as "Factura en línea".

■ A/R inquiries only available in countries that have active collections. Also, we recommend eIPP for payments since it's more robust instead of offering the Payment gateway.
