

# Authorization to Eliminate Paper Statements

For your convenience, all content requested on this form, except for your signature(s), can be typed directly into the form.

## Customer Account Information

Customer Name	Date
---------------	------

Customer authorizes the Citibank N.A. branch, subsidiary, or affiliate, where the accounts referred to below are located, to ("Citibank") discontinue providing account and interest statements in paper form. The electronic statements (eStatements or otherwise) service shall be provided in accordance with materials (including technical requirements and security procedures) issued to the Customer from time to time and shall serve the same purposes and have the same effect as the paper statements.

Customer acknowledges that, notwithstanding the use of secure methods of delivery, electronic messages may contain viruses or may be delayed and that there are confidentiality and other risks associated with the delivery of statements electronically and the Customer agrees that Citibank shall not be held responsible for any of these occurrences or for any unauthorized access and/or alteration to any e-mail communication.

All electronic communications will be deemed to have been received by the Customer on the day that Citibank sends the e-mail to the relevant e-mail address, even if the recipient does not access the electronic communication for any reason.

For and on behalf of the Customer, we hereby authorize Citi to make the following changes to our account profile:

Account Number (List multiple account numbers if all accounts should stop receiving paper, if more space is needed, please attach an addendum)

## Thank you for making the switch to Paper-free Statements

We are pleased that you are joining us in our commitment to improve the communities in which we do business and to protect the natural environment on which we all depend.

As part of that commitment, Citi supports, a collaborative partner of the Plant for the Planet: Billion Tree Campaign, a program founded by the United Nations Environment Program to address the degradation of our forest ecosystems. As such, we have agreed to plant ten trees for every one tree we save.
